**PROCUREMENT PROCESS
FOR INVESTMENT POSITION
"SET OF EQUIPMENT FOR SALMON PROCESSING HOUSE"
Ref.Nr. IPV-2/2026**

January 2026

TECHNICAL SPECIFICATION OF THE PROCUREMENT SUBJECT

Set of equipment for salmon processing house within the framework of the European Union European Maritime, Fisheries and Aquaculture Fund (EMFAF) activity "Processing of fishery and aquaculture products."

1. Applicant:

"IP Vecmīlgrāvis" Ltd

2. Taxpayer number:

LV40003643261

3. Applicant's address:

Lielā iela 62F, Mērsrags, Mērsraga pagasts, Talsu novads, Latvija, LV-3284

4. Ordered item:

Set of conveyors

5. Delivery address:

Lielā iela 62F, Mērsrags, Mērsraga pagasts, Talsu novads, Latvija, LV-3284

6. Delivery time:

till 30.06.2027.

7. Proposal validity period:

till 30.06.2026.

8. Technical specification:

see table below:

8.1. Integrated conveyors' system

Technical requirements (characteristics):	Designed to ensure transportation of fish products from the slicing zone to the packaging zone in adjusted weight (for each piece of the product). All conveyors have two side support, transition bridge to the next conveyor and control button (on the electric panel or conveyor). Electric drive with protective cover and provided with frequency converter. One control per group (2-5) of interfacing conveyors. The functionality, quantity and dimensions (length (L), height (H), width (W), or diameter (D) in mm, as follows in the description.
--	--

A set consists of the following equipment:

8.1.1.	Curve modular conveyor No1	1 unit	1.1. Conveyors No1-No4 serve to transport sliced fish from the slicing machine to the automatic distribution system.
8.1.2.	Curve modular conveyor No2	1 unit	1.2. Belt type: curved modular belt
8.1.3.	Curve modular conveyor No3	1 unit	1.3. Working width: not less than 220 mm (adjustable)
8.1.4.	Curve modular conveyor No4	1 unit	1.4. Power consumption: not more than 0.5 kW
			1.5. Speed: adjustable
			1.6. Material: stainless steel AISI 304
			1.7. External dimensions: L 5000 mm; H – 700–1100 mm; W minimum 280 mm
8.1.5.	Straight modular conveyor No5	1 unit	1.1. Conveyors No5-No7 are Automatic fish tray distribution system, merging the flow from four conveyors into one, preventing congestion and collisions.
8.1.6.	Straight modular conveyor No6	1 unit	1.2. Belt type: modular belt
8.1.7.	Straight modular conveyor No7	1 unit	1.3. Power consumption: not more than 1 kW
			1.4. Speed: adjustable
			1.5. Material: stainless steel AISI 304
			1.6. External dimensions: L up to 2500 mm, H 700–1100 mm, W up to 1400 mm
8.1.8.	Straight modular conveyor No8	1 unit	1.1. Conveyor complex receiving, rejecting, and distributing product flow.
8.1.9.	Straight modular conveyor No9	1 unit	1.2. Belt type: Modular belt
			1.3. Power consumption: not more than 0.5 kW

8.1.10.	Straight modular conveyor No10	1 unit	1.4.Speed: adjustable 1.5.Material: stainless steel AISI 304 1.6.External dimensions: L up to 4000mm; H 700–1100mm, W minimum 220 mm
8.1.11.	Straight modular conveyor No11	1 unit	1.1.Conveyor for tray receiving and transport. 1.2.Belt type: modular belt 1.3.Speed: adjustable 1.4.Material: stainless steel AISI 304 1.5.Power: not more than 0.5 kW 1.6.External dimensions: L up to 4000mm; H 700–1100mm; W minimum 220mm
8.1.12.	Round rotating table with in built scales No12	1 unit	1.1.Equipped with 4 removable working places (area: minimum 600 x 500 mm), each provided with scales for manual correction of the product weight. 1.2.Power consumption: Not more than 1.5 kW 1.3.Material: Stainless steel AISI 304 1.4.External dimensions: D 1500 mm; H 700–1100 mm

9. Other requirements:

- a supplier has at least one year of experience in the field to which procurement relates;
- all the parts and units in the set of equipment must be new and comply with EU standards.
- a supplier must declare that the equipment is new and after delivery, a supplier must provide the appropriate CE certificates for the equipment set.
- **the price of the equipment set must include the purchase, delivery, installation, staff training, and all other costs required for the commissioning of the equipment.**
- a supplier submits relevant information (manufacturer, model, additional description of equipment, pictures, etc.) about the proposal to allow assessing its compliance with the technical specification thoroughly.
- a supplier is a manufacturer or a representative and has the right to sell and maintain the equipment specified in the offer.
- **the proposal must be prepared and submitted in Latvian or English. It must be typed and signed with a secure electronic signature.**
- a supplier must submit a proposal: by e-mail to address: ieva@edo.lv.
- the proposal must be of good quality and prepared so that it does not have to be modified. **The proposal must state that the offer is final and will not be reviewed.**

10. Warranty: at least 12 (twelve) months from the date of commissioning.

11. The proposal consists of:

- completed and signed Application for participation – Annex 1. To obtain the form in MS Word format, please contact Ieva Leimane electronically by sending a request to the e-mail – ieva@edo.lv;
- additional information about the set of equipment (manufacturer, model, additional description of equipment, pictures, etc.) which allows to assess its compliance with the technical specification;
- confirmation of an independently prepared offer – Annex 2.

12. The proposal must be submitted by the 11th of March, 2026, by email, signed with secure electronic signature.

13. Evaluation of proposals:

- 13.1. Supplier submits one proposal for the entire procurement subject. The contract will be concluded for the whole issue of the procurement.
- 13.2. Only a proposal that includes all information mentioned in point 11 of the technical specification will be evaluated.
- 13.3. The commission for opening procurement proposals is closed.
- 13.4. The winner will be the supplier who submits the proposal in accordance with the technical specification with the lowest price.

The technical specification of the procurement process was approved by:

Edgars Zaicevs, project manager

Supplier hereby confirms that:

1. it has more than one year of experience in the field to which procurement relates.
2. all units and parts of the equipment included in the proposal are new and complies with the standards of the European Union.
3. along with the set of equipment, the corresponding CE certificates will be provided for all equipment units.
4. the total price of the proposal includes the costs of purchasing, delivery, installation, insultation, commissioning, start-up, staff training etc. costs.
5. the warranty period of the equipment set is at least 12 (twelve) months.
6. the set of equipment included in the proposal **fully complies with the technical specification Ref.Nr. IPV-2/2026.**
7. the proposal is final and will not be revised.

Confirmation of an independently prepared offer Ref.Nr. IPV-2/2026

By providing comprehensive and truthful information, _____
Supplier's name, reg. Nr.

(hereinafter - The Applicant) concerning the specific procurement confirms, that:

1. The Applicant has read and agrees with the content of this confirmation.
2. The Applicant is aware of its obligation to provide complete, comprehensive, and truthful information in this confirmation.
3. The Applicant's authorized person has signed the Applicant's procurement offer.
4. The Applicant informs that he has submitted an offer independently of competitors¹ and without consultations, contracts, or agreements. The Applicant has not been in contact with any competitor regarding:
 - 4.1. Prices;
 - 4.2. Methods of price calculation, factors (conditions) or formulas;
 - 4.3. Intention or decision to participate or not to participate in the procurement (to submit or not to submit a tender); or
 - 4.4. Submission of an offer that does not meet the procurement requirements;
 - 4.5. Quality, volume, specification, performance, delivery, or other conditions must be resolved independently of competitors for products or services covered by this procurement.
5. The Applicant has not knowingly, directly, or indirectly disclosed and will not disclose the terms of the offer to any competitor before the official date and time of the opening of proposals or the contract award.
6. The Applicant is aware that the Law of Competition provides for liability for prohibited agreements, providing for a fine of up to approximately 10% of the infringer's net turnover in the last financial year, and the Applicant may be excluded from participation in the procurement procedure.
